

Capacity List

The Hotchkiss Group of Companies have extensive Machine Shop Capacity to take care of all of your Heavy Engineering Machining needs.

Design, Development and Programming (CAD-CAM)	The latest version of Autodesk Inventor
CNC Milling	<p>Alesa Monti 5 axis travelling bed milling machine, Heidenhain control with a 1.8M rotating table capable of machining 3.8M o/d X 2.5M high X 1.2M wide and a weight capacity of 10 tonne</p> <p>Correa L 30 Travelling column milling machine, Heidenhain control with a 7.6M long table X 1.2M wide X 1.5M high and a weight capacity of 10 tonne</p> <p>Correa A 25 Travelling bed milling machine, Heidenhain control with a 3M long table, 1.2M wide X 1M high and a weight capacity of 8 tonne</p> <p>Correa CF17D Travelling bed milling machine, Heidenhain control with a 1.7M long table, 800mm wide X 800mm high and a weight capacity of 5 tonne</p>
CNC Turning	<p>Shanks Centre Lathe with Fanuc control and a capacity of 2.5M O/D over bed X 12M long</p> <p>Binns and Berry Gap bed Lathe with 'C' axis, Fagor control and Programmable Tailstock with a capacity of 1.25M O/D over bed X 12M long or 1.88M O/D X 300mm long with gap removed and weight capacity of 10 tonne</p> <p>Binns and Berry Sliding Gap Bed Lathe with Fagor control and a capacity of 1.1M O/D X 9M B/C and up to 2.2M O/D X 5M with the Gap slid back and a weight capacity of 10 tonne</p> <p>CMZ Lathe, Fanuc control with 12 station turret, C axis and Driven Tooling, Programmable Tailstock, 350mm O/D over bed X 1.3M long</p> <p>Colchester Centre Lathe, Fanuc control with a capacity of 550mm X 1.8M long and 3 tonne weight capacity</p>

CNC Roll Grinding	Churchill Cylindrical Grinder, Fanuc control with capacity of 1.6M O/D over bed X 10M long with 60 tonne weight capacity
Conventional Machines	Richmond Large Radial Drill Sansei 450mm Ring Grinder Two further Centre Lathes and one vertical milling machines
Craneage	LARGE - workshop Kone cranes up to 60 tonne lifting capacity SMALL - workshop Kone crane up to 10 tonne lifting capacity
Transport	Ford Transit long wheelbase pick-up truck, 2.1M wide X 3.65M long with 1.2 tonne carrying capacity
Balancing	Static and dynamic balancing services
